Acquisition, delivery and installation of equipment and services provided for the above-mentioned consortium members in the Partner Countries are part of the EU Project 2013-5066.

Within the framework of a Tempus project all equipment purchased and the provision of services **in the Partner Countries** can be exempt from taxes (including VAT), duties and charges, if a Common Framework agreement (Financing agreement in the case of the Partner Countries in the Western Balkans) has been signed between the European Commission and **the Partner Country**.

The present certificate cannot be used to purchase equipment or services exempt from taxes (including VAT) within the European Union. However, equipment purchased within the EU with a view to being immediately exported to Partner Countries in the framework of the Tempus programme may be exempted from taxes (including VAT), duties and charges in accordance with the normal rules.
